Subject: RE: Complaint against Thomas Flynn

To: Kraig Dorner <kraignavyseal@gmail.com>

Good morning Mr. Dorner,

I received the court declarations that I ordered from CA superior Court and I once again confronted Mr. Flynn regarding his private investigator claim.

Mr. Flynn stated that he would have his attorney contacting us. I have notified my supervisor and forwarded this case over for further determination. At this point, I do not have the control over the outcome of the case. Please follow up with us in a few weeks.

Thank you.
