

The State Bar of California opened an investigation into Richard Gerard Prantils conduct on December 15, 2020.

The State Bar of California's sole responsibility is to discipline other lawyers for breach of conduct, morality and ethical issues. How ironic attorneys disciplining attorneys. During this time there was numerous delays, stays of hearing, and abatements due to multiple ongoing confidential investigations into Mr. Prantils conduct.

My understanding is that many new victims came forward. The case dragged on for years.

Instead of taking ownership, or facing the charges Richard G. Prantil turned tail and retired with no remorse....

In my opinion he's a **COWARD**....
*"A person who lacks the courage to do
or endure dangerous or unpleasant things.."*

How can someone like Richard Prantil wake up every morning and look at themselves in the mirror with any respect. Knowing what he did to innocent people.

If you read the California State Bar disciplinary charges on this website. You can see for yourself the kind of person that Richard Prantil is. Prantil has a wife and two daughters. How would he like if someone treated his family the way he has treated so many other families. No one deserves to be treated the way he treated them.

Since Prantil retired instead of facing charges. The victims of Prantil are looking into pursuing criminal charges against him.

As you can see from the emails below from The State Bar of California if Richard G. Prantil seeks to return to active status in the future, The filed cases against him will proceed in the State Bar Court. I'm sure this will never happen.

If there is such thing as karma, Richard G. Prantil deserves everything that's coming to him.

RE: Richard Prantil

Mr. Dorner,

Due to the confidential nature of the proceedings related to Mr. Prantil's inactive status, I cannot respond to your questions in detail. However, if you believe you are owed money by Mr. Prantil due to theft or dishonest conduct, you may file a claim with the Client Security Fund [here](#).

Furthermore, if Mr. Prantil seeks to return to active status in the future, the filed cases against him will proceed in State Bar Court.

Thank you for your cooperation in this matter.
